

# *of* DANCE HOPE

From the pearl of Africa  
"DANCE OF HOPE"  
brings you a rich cultural experience  
of passionate rhythms,

sensational sounds, exhilarating and colorful choreography, all swirled in gorgeous and infectious smiles of children aged age 7-16, exploring the transformational power of music and dance to raise awareness and improve the way of life for many children that are orphaned, displaced or living in poverty. This vibrant music and dance spectacular brings Africa's newest cast of young performers, whose triumphant human turnaround stories are highly inspiring, showcasing a resilience birthed out of sounds that enhance creativity, persistence and change.
